## OUTRIGGER PADDLING FOR YOU

### FOSTERING THE DEVELOPMENT OF STRONG AND HEALTHY MINDS & BODIES

Ke Kai O’Uhane, which means “the Spirit of the Sea,” perpetuates the culture and ancient art of Hawaiian canoeing. We pride ourselves in being a family oriented organization with over 200 members from a wide age range and walks of life. Many of our activities involve the entire Ohana, aka *family* in Hawaiian.

Imagine you and your family on a warm summer day racing a 40’, 400 lb, 6 person (V6) outrigger canoe with your team. Or spend an afternoon dancing hula, learning how a graceful dance from the heart brings meaning and beauty to the eye of the beholder.

## DANCE HULA FROM YOUR HEART

### AN ANCIENT TRADITION IN ART FORM

As part of your annual membership, learn the ancient Hawaiian art of hula. Enrollment is held only once a year and lessons run from late May to March of the next year. Our hula dancers showcase their new talent at our annual fundraising March Luau.

For the non-athletes who dance as well as dedicated athletes, please join us in either or both of our unique experiences.
